

## **Onside Sports and West Ham United announcing off-seasons cooperation**

28|03|2018 - Sports Agency Onside Sports has announced a partnership with West Ham United which will see them support the Club's off-season related services.

The partnership will include assisting with the organisation of training camps, friendly matches and tournaments, as well as working to deliver commercial match and internationalisation activity opportunities for the Club.

Signing West Ham United as their second English Premier League club, the Onside portfolio grows to more than 20 European clubs.

*Onside Sports GmbH is the leading European off-season agency with a strong focus on integrated services in the off-season sector. The Hamburg-based company offers full-year support on training camps, friendly/commercial matches, tournaments and internationalisation activities.
